## **I. BACKGROUND OF THE LITIGATION**

### **A. The Nature of this Lawsuit**

Plaintiffs allege that, during the Class Period, Defendants Barclays plc, Barclays Bank plc, Barclays Capital Inc., Citigroup, Inc., Citibank, N.A., Coöperatieve Rabobank U.A. (f/k/a Coöperatieve Centrale Raiffeisen-Boerenleenbank B.A.), Crédit Agricole S.A., Crédit Agricole CIB, Deutsche Bank AG, DB Group Services (UK) Ltd., HSBC Holdings plc, HSBC Bank plc, ICAP plc, ICAP Europe Limited, JPMorgan Chase & Co., JPMorgan Chase Bank, N.A., The Royal Bank of Scotland plc, Société Générale, and UBS AG (collectively, "Defendants") agreed, combined, and conspired to rig Euribor and fix the prices of Euribor Products. Plaintiffs allege that Defendants did so by using several means of manipulation. For example, Plaintiffs allege that panel banks that made daily Euribor submissions to Thomson Reuters falsely reported banks' costs of borrowing to financially benefit their Euribor Products positions. Plaintiffs also allege that Defendants requested that other Defendants make false Euribor submissions on their behalf to benefit their Euribor Products positions.

Plaintiffs further allege that Defendants continuously conspired to fix the prices of Euribor Products in the over-the-counter market to financially benefit their own Euribor Products positions. In addition to coordinating Euribor submissions and agreeing on where to price Euribor Products, Plaintiffs allege that, in order to effectuate their manipulations of Euribor and Euribor Products during the Class Period, Defendants engaged in "pushing cash," transmitted false bids and offers, used derivative traders as submitters, and rigged bids and offers for Euribor Products.

Plaintiffs have asserted legal claims under various theories, including federal antitrust law, the Commodity Exchange Act ("CEA"), the Racketeer Influenced and Corrupt Organizations Act ("RICO"), and common law.

Société Générale has consistently and vigorously denied Plaintiffs' allegations and maintains it has meritorious defenses to the claims of liability and damages made by Plaintiffs.

### **C. The Definition of the Settlement Class**

The Court has certified, for purposes of settlement only, the Settlement Class, defined as:

All Persons who purchased, sold, held, traded, or otherwise had any interest in Euribor Products from June 1, 2005 through and including March 31, 2011, who were either domiciled in the United States or its territories or, if domiciled outside the United States or its territories, transacted in Euribor Products in the United States or its territories from June 1, 2005 through and including March 31, 2011, including, but not limited to, all Persons who traded CME Euro currency futures contracts, all Persons who transacted in NYSE LIFFE Euribor futures and options from a location within the United States, and all Persons who traded any other Euribor Product from a location within the United States.

Excluded from the Settlement Class are the Defendants and any parent, subsidiary, affiliate or agent of any Defendant or any co-conspirator whether or not named as a defendant, and the United States Government. Notwithstanding the exclusions contained in the immediately preceding sentence, and solely for purposes of the Settlement and the Settlement Class, Investment Vehicles are not excluded from the Settlement Class solely on the basis of their being deemed to be Defendants or affiliates or subsidiaries of Defendants. However, to the extent that any Defendant or any entity that might be deemed to be an affiliate or subsidiary thereof (i) managed or advised, and (ii) directly or indirectly held a beneficial interest in, said Investment Vehicle during the Class Period, that Defendant's beneficial interest in the Investment Vehicle is excluded from the Settlement Class.

## **II. SUMMARY OF THE PROPOSED SETTLEMENT**

### **A. Settlement with Société Générale**

On behalf of the Settlement Class, Plaintiffs entered into the Settlement Agreement with Société Générale on March 31, 2023. Société Générale has agreed to enter into this Settlement Agreement, while denying the allegations brought in the Action and maintaining that it has meritorious defenses to Plaintiffs' claims of liability and damages, in order to avoid further expense, inconvenience and the distraction of burdensome protracted litigation, and thereby to resolve this controversy and avoid the risks inherent in complex litigation. The description herein of the proposed Settlement is only a summary. This description and this Notice are qualified in their entirety by the Settlement Agreement, which is on file with the Court at the address indicated in this Notice and are available at the official website for the Settlement, at [www.EuriborSettlement.com](http://www.EuriborSettlement.com) (the "Settlement Website").

#### **1. Société Générale's Payments for the Benefit of the Settlement Class**

##### **a. No Right to Reversion**

The Settlement Agreement does not provide Société Générale with a right of reversion. That is, no matter how many Settlement Class Members fail to file a Proof of Claim and Release or opt out, if the Settlement is finally approved by the Court, none of the Settlement monies will revert to Société Générale.

##### **b. Société Générale's Potential Right To Termination**

Paragraphs 37 and 40 of the Settlement Agreement describe Société Générale's right to terminate the Settlement Agreement if certain events occur. With respect to each such event, Société Générale has the right (as qualified in the Settlement Agreement), but not the obligation, to determine to exercise, in their sole discretion, their right to terminate if the event occurs.

**c. Proposed Plan of Allocation**

The Plan of Allocation is available for review on the Settlement Website at [www.EuriborSettlement.com](http://www.EuriborSettlement.com). The daily artificiality matrix, as described in the Plan of Allocation, is posted on the Settlement Website. Changes, if any, to the daily artificiality matrix based on newly available data or information will be promptly posted on the Settlement Website. Members of the Settlement Class are strongly encouraged to review the Settlement Website for any changes to the Plan of Allocation.

**d. Changes or Further Orders by the Court**

Any change by the Court to the time and place of the Settlement Hearing, or any other matter and all further orders or requirements by the Court will be posted on the Settlement Website at [www.EuriborSettlement.com](http://www.EuriborSettlement.com) as soon as practicable.

It is important that you refer to the Settlement Website as no other notice may be published of such changes.

**2. The Cooperation Provided under the Settlement for the Benefit of the Class**

Société Générale has agreed to provide the following cooperation to Class Counsel in the event that the Action is eventually remanded from the Second Circuit to the Court for further prosecution against any non-settling Defendant: documents produced to government agencies in connection with their investigations of Euribor-related conduct; trade data pertaining to Société Générale's transactions in Euro-denominated inter-bank money market instruments, including loans, deposits and certificates of deposit; trade data pertaining to Société Générale's transactions in Euribor Products; and non-privileged declarations, affidavits, witness statements or other sworn or unsworn written statements of former and/or current Société Générale directors, officers or employees concerning the allegations set forth in this Action. The extent of the cooperation to be provided by Société Générale is described in (and qualified by) the Settlement Agreement.

**3. The Releases, Discharge, and Covenant Not to Sue Under the Settlement**

**IF YOU HAVE NOT REQUESTED TO BE EXCLUDED FROM THE SETTLEMENT CLASS, WHEN THE SETTLEMENT BECOMES FINAL YOU WILL BE RELEASING THE CLAIMS DESCRIBED BELOW, AND YOU WILL BE BOUND BY THE RELEASES IN THE SETTLEMENT AGREEMENT INCLUDING THE COVENANT NOT TO SUE—EVEN IF YOU DO NOT FILE A PROOF OF CLAIM AND RELEASE.**

In exchange for Société Générale's payments, Settlement Class Members will release their claims against the Releasees, as defined in the Settlement Agreement, arising in any way out of transactions in Euribor Products, whether or not asserted in the Action, as is more fully set forth below.

**a. The Settlement**

(A) Upon the Effective Date, and in exchange for the receipt of the Settlement Amount provided for herein, the receipt and sufficiency of which is hereby acknowledged, the Releasors, and any other Person claiming against the Settlement Fund (now or in the future) through or on behalf of any Releasor, shall be deemed to have, and by operation of the Final Approval Order and the Judgment shall have, fully, finally and forever released, relinquished and discharged Releasees from any and all Released Claims,<sup>3</sup> and shall be permanently barred and enjoined from instituting, commencing or prosecuting any such Released Claim against any Releasee in any lawsuit, arbitration, or other proceeding against any Releasee in any court or venue in any jurisdiction worldwide. Each Releasor shall be deemed to have released all Released Claims against the Releasees regardless of whether any such Releasor ever seeks or obtains by any means, including, without limitation, by submitting a Proof of Claim and Release, any distribution from the Settlement Fund or Net Settlement Fund. The releases set forth herein are given pursuant to New York law, including N.Y. General Obligations Law § 15-108, which bars claims for contribution by joint tortfeasors and other similar claims, and are to be construed under New York law without regard to its conflict of law principles. This Agreement is expressly intended to absolve Releasees against any claims for contribution, indemnification or similar claims from other Defendants in the Action or any defendant who may be subsequently added in this Action, arising out of or related to the Released Claims, in the manner and to the fullest extent permitted under the law of New York (including, without limitation, N.Y. General

<sup>3</sup> The "Released Claims" means any and all manner of claims, including, without limitation, unknown claims, causes of action, cross-claims, counter-claims, charges, liabilities, demands, judgments, suits, obligations, debts, setoffs, rights of recovery, or liabilities for any obligations of any kind whatsoever (however denominated), whether class, derivative, or individual, in law or equity or arising under constitution, statute, regulation, ordinance, contract, or otherwise in nature, for fees, costs, penalties, fines, debts, expenses, attorneys' fees, or damages, whenever incurred, or liabilities of any nature whatsoever (including joint and several), known or unknown, suspected or unsuspected, asserted or unasserted, which Settling Class Members or any of them ever had, now has, or hereafter can, shall or may have, representatively, derivatively or in any other capacity, against the Released Parties arising from or relating in any way to conduct alleged in the Action or which could have been alleged in the Action against the Released Parties concerning Euribor, any Euribor Products or any similar financial instruments priced, benchmarked, or settled to Euribor purchased, sold, held, traded, and/or transacted by the Plaintiffs, Class Members, and/or Settling Class Members (to the extent such similar financial instruments were entered into by a U.S. Person, or by a Person from or through a location within the U.S.), or in which any of the foregoing otherwise had any interest, including, but not limited to, any alleged manipulation of Euribor or Euribor Products under the Commodity Exchange Act, 7 U.S.C. § 1 *et seq.* or any other statute, regulation, or common law, or any purported conspiracy, collusion, racketeering activity, or other improper conduct relating to Euribor (including, but not limited to, all claims under Section 1 of the Sherman Antitrust Act, 15 U.S.C. § 1 *et seq.*, the Racketeer Influenced and Corrupt Organizations Act, 18 U.S.C. §§ 1961-1968, and any other federal or state statute, regulation, or common law). The following claims shall not be released by this Settlement: (i) any claims against former employees of Société Générale arising solely from those former employees' conduct that occurred while not employed by Société Générale; (ii) any claims against the named Defendants in this Action other than Société Générale; (iii) any claims against interdealer brokers or their employees or agents when and to the extent they were engaged as employees or agents of the other Defendants or interdealer brokers; or (iv) any claims against any Defendant not affiliated with Société Générale who may be subsequently added in this Action. For the avoidance of doubt, Released Claims do not include claims arising under foreign law based solely on transactions executed entirely outside the United States by Settling Class Members domiciled outside the United States.

Obligations Law § 15-108) or any other jurisdiction that might be construed or deemed to apply to any claims for contribution, indemnification or similar claims against any Releasee. Notwithstanding the foregoing, should any court determine that any Defendant or defendant subsequently added to this Action is or was legally entitled to any kind of contribution or indemnification from Société Générale arising out of or related to Released Claims, the Releasers agree that any money judgment subsequently obtained by the Releasers against any Defendant or defendant subsequently added to this Action shall be reduced to an amount such that, upon paying the entire amount, the Defendant or defendant subsequently added to this Action would have no claim for contribution, indemnification or similar claims against Société Générale. Except in the event of termination of this Settlement, the Settling Parties agree not to assert under Rule 11 of the Federal Rules of Civil Procedure or any similar law, rule or regulation, that the Action was brought or defended in bad faith or without a reasonable basis.

(B) Although the release set forth above is not a general release, such release constitutes a waiver of any and all rights arising under Section 1542 of the California Civil Code (to the extent it applies to the Action), which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The release set forth above also constitutes a waiver of any and all provisions, rights, and benefits of any federal, state or foreign law, rule, regulation, or principle of law or equity that is similar, comparable, equivalent to, or which has the effect of, Section 1542 of the California Civil Code. The Settling Class Members acknowledge that they are aware that they may hereafter discover facts in addition to, or different from, those facts which they know or believe to be true with respect to the subject matter of this Agreement, but that it is their intention to release fully, finally, and forever all of the Released Claims, and in furtherance of such intention, the release shall be irrevocable and remain in effect notwithstanding the discovery or existence of any such additional or different facts. In entering and making this Agreement, the Settling Parties assume the risk of any mistake of fact or law, and the release shall be irrevocable and remain in effect notwithstanding any mistake of fact or law.

\*\*\*\*\*

The Settlement Agreement does not settle or compromise any claims other than those set out therein. All rights of the Plaintiffs or any Settlement Class Member against any other person or entity other than the parties released in the Settlement Agreement are specifically reserved by the Plaintiffs and Class Members.

### III. YOUR OPTIONS

#### A. Submit a Proof of Claim and Release for the Settlement Agreement

As a Settlement Class Member, you may be entitled to share in the Net Settlement Fund if you already submitted a valid and timely Proof of Claim and Release or if you submit a valid and timely Proof of Claim and Release demonstrating that you are an Authorized Claimant as set forth in the Settlement Agreement. Proof of Claim and Release forms must be postmarked to the Claims Administrator (*see* address in Section VIII below) no later than October 9, 2023. A copy of the Proof of Claim and Release is attached hereto and/or may be obtained on the Settlement Website at [www.EuriborSettlement.com](http://www.EuriborSettlement.com).

**IF YOU TIMELY SUBMITTED A VALID PROOF OF CLAIM AND RELEASE PURSUANT TO THE 2017 NOTICE, THE 2018 NOTICE, AND/OR THE 2022 NOTICE IN THIS ACTION, YOU DO NOT HAVE TO SUBMIT A NEW PROOF OF CLAIM AND RELEASE TO PARTICIPATE IN THIS SETTLEMENT WITH SOCIÉTÉ GÉNÉRALE.** Your previously submitted Proof of Claim and Release will automatically be considered in connection with this Settlement. If you did not submit a Proof of Claim and Release pursuant to either: the 2017 Notice related to the \$94 million settlement with Barclays, the \$45 million settlement with HSBC, and the \$170 million settlement with Deutsche Bank; the 2018 Notice related to the \$182.5 million settlement with Citi and JPMorgan; and/or the 2022 Notice related to the \$55 million settlement with Crédit Agricole, then you must act to submit a timely Proof of Claim and Release in order to be eligible to receive any portion of the Net Settlement Fund.

Any member of the Settlement Class who previously submitted a Proof of Claim and Release in connection with the 2017 Notice, the 2018 Notice, and/or the 2022 Notice will be subject to and bound by the releases reflected in the Proof of Claim and Release form attached hereto, unless such member submits a timely and valid request for exclusion as explained below. Any member of the Settlement Class who did not submit a Proof of Claim and Release pursuant to the 2017 Notice, the 2018 Notice, and/or the 2022 Notice, and who fails to submit a Proof of Claim and Release by the dates in the manner specified in this Notice will be barred from receiving any payment from the Net Settlement Fund (unless, by Order of the Court, an untimely Proof of Claim and Release submitted by such member of the Settlement Class is approved), but will in all other respects be bound by the terms of the Settlement Agreement and by the Final Judgment entered on the Class's claims.

#### B. Object to the Settlement

Any Settlement Class Member may appear at the Settlement Hearing in person or by counsel and may be heard, to the extent allowed by the Court, either in support of or in opposition to the fairness, reasonableness, and adequacy of the proposed Settlement or any related matter (including the requests for attorneys' fees, expenses, and/or Incentive Awards, the Plan of Allocation or any other matter).

However, no person shall be heard in opposition to the Settlement Agreement, and no papers or briefs submitted by or on behalf of any such person shall be accepted or considered by the Court, unless, on or before August 3, 2023, such person files with the Court a statement

of the objection, as well as the specific legal and factual reasons for each objection, including all support that the objecting Settlement Class Member or governmental entity wishes to bring to the Court's attention and all evidence the objecting Settlement Class Member or governmental entity wishes to introduce in support of his, her, or its objection. Such submission must contain: (i) the name, address, and telephone number of the Person or entity objecting and must be signed by the objector (an attorney's signature is not sufficient); (ii) a heading that refers to the Action by case name and case number ("*Sullivan, et al. v. Barclays PLC, et al.*, No. 13-cv-2811 (PKC) (S.D.N.Y.)"); (iii) a statement of the Person's objection or objections, and the specific legal and factual basis for each objection argument, including a description of any and all evidence the objecting Person or entity may offer at the Settlement Hearing, including but not limited to the names, addresses, and expected testimony of any witnesses, and all exhibits intended to be introduced at the Settlement Hearing; (iv) documentary proof of the objecting Person's membership in the Settlement Class; (v) a statement of whether the objecting Person or entity intends to appear at the Settlement Hearing, either in person or through counsel and, if through counsel, a statement identifying that counsel by name, address, telephone number, and email address; (vi) a description of the Euribor Products transactions entered into by the Person that fall within the Settlement Class definition (including, for each transaction, the identity of the broker, the date of the transaction, the type (including direction) of the transaction, the counterparty (if any), the exchange on which the transaction occurred (if any), any transaction identification numbers, the rate, and the notional amount of the transaction); and (vii) a list of other cases in which the objector or counsel for the objector has appeared either as an objector or counsel for an objector in the last five years. Persons who have timely submitted a valid request for exclusion are not Settlement Class Members and are not entitled to object. Plaintiffs or Société Générale may apply to the Court for permission to examine an objector on terms and conditions set by the Court. Counsel for the Settling Parties are listed below.

All written requests must be signed by the Settlement Class Member (or his, her or its legally authorized representative), even if the Settlement Class Member is represented by counsel.

Requests for exclusion from the Settlement Class for the Settlement Agreement must be postmarked no later than July 27, 2023, and must be sent by U.S. First-Class Mail (preferably certified mail) (or, if sent from outside the U.S., by a service that provides for guaranteed delivery within five (5) or fewer calendar days of mailing) to the Claims Administrator to the following address:

#### V. **ATTORNEYS' FEES, COSTS, AND INCENTIVE AWARDS**

Settlement Class Members are not personally responsible for payment of attorneys' fees or expenses. As compensation for their time and their risk in prosecuting the litigation on a wholly contingent fee basis for approximately five years, Class Counsel will ask the Court for an award of attorneys' fees in the amount of no more than sixteen percent (16%), or \$16,800,000, of the Settlement Fund as a common fund and for reimbursement of their costs and expenses in the amount of no more than \$500,000, all to be deducted from the Settlement Fund. Additionally, Class Counsel may apply, at the time of any application for distribution to qualifying Settlement Class Members, for an award from the Settlement Fund for reimbursement of costs and expenses incurred in connection with the administration of the Settlement Agreement after the date of the Settlement Hearing. Plaintiffs may submit an additional request for service awards in light of their continued commitment and contributions that led to this Settlement for the benefit of the putative class. Plaintiffs have agreed that any award, if requested, will not exceed a total of \$150,000. Any such amount constitutes the Incentive Award.

**Summary Notice of Proposed Class Action Settlement**

**If you transacted in Euribor Products<sup>1</sup> between June 1, 2005 and March 31, 2011, inclusive ("Class Period"), then your rights will be affected by a pending class action settlement, and you may be entitled to a portion of the settlement fund.**

The purpose of this Notice is to inform you of your rights in connection with the proposed settlement with Settling Defendant Société Générale in the action titled *Sullivan, et al. v. Barclays plc, et al.*, No. 13-cv-2811 (PKC) (S.D.N.Y.). The settlement with Société Générale (the

"Settlement") is not a settlement with any other Defendant and thus is not dispositive of any of Plaintiffs' claims against other Defendants.

The Settlement has been proposed in a class action lawsuit concerning the alleged manipulation of the Euro Interbank Offered Rate ("Euribor") and the prices of Euribor Products during the Class Period. The Settlement provides a total of \$105 million to pay claims from persons who transacted in Euribor Products during the Class Period. If you qualify, you may potentially receive benefits from the Settlement if you (a) previously submitted a Proof of Claim and Release form ("Claim Form") in connection with prior settlements in this Action or (b) submit a Claim Form by the deadline set forth below. You can also choose to exclude yourself from the Settlement, or object to the Settlement.

The United States District Court for the Southern District of New York (500 Pearl St., New York, NY 10007-1312) authorized this Notice. Before any money is paid, the Court will hold a Settlement Hearing to decide whether to approve the Settlement.

### **Who Is Included?**

You are a "Settlement Class Member" if you purchased, sold, held, traded, or otherwise had any interest in Euribor Products during the Class Period, and during the Class Period were either domiciled in the United States or its territories or, if domiciled outside the United States or its territories, you transacted in Euribor Products in the United States or its territories during the Class Period. "Settlement Class Members" include, but are not limited to, all persons who during the Class Period traded CME Euro currency futures contracts and options, all persons who during the Class Period transacted in NYSE LIFFE Euribor futures and options from a location within the United States, and all persons who during the Class Period traded any other Euribor Product from a location within the United States or its territories.

Contact your brokerage firm to see if you purchased, sold, held, or traded or otherwise had any interest in Euribor Products. If you are not sure you are included, you can get more information, including the Settlement Agreement,<sup>2</sup> the Notice of Proposed Class Action Settlement, September 7, 2023 Settlement Hearing Thereon, and Settlement Class Members' Rights (the

"Settlement Notice"), Plan of Allocation, Proof of Claim and Release, and other important documents, at [www.EuriborSettlement.com](http://www.EuriborSettlement.com) ("Settlement Website") or by calling toll free 800-492-9154.

### **What Is This Litigation About?**

Plaintiffs allege that during the Class Period, Defendants (including Société Générale) conspired to manipulate and manipulated Euribor and the prices of Euribor Products. Plaintiffs allege that Defendants did so by using several means of manipulation. For example, Plaintiffs allege that panel banks that made daily Euribor submissions to Thomson Reuters falsely reported banks' costs of borrowing in order to financially benefit their Euribor Products positions. Plaintiffs also allege that Defendants requested that other Defendants make false Euribor submissions on their behalf to benefit their Euribor Products positions.

Plaintiffs further allege that Defendants continuously conspired to fix the prices of Euribor Products in the over-the-counter market to financially benefit their own Euribor Products positions. In addition to coordinating Euribor submissions and agreeing on where to price Euribor Products, Plaintiffs allege that to effectuate their alleged manipulations of Euribor and Euribor Products during the Class Period, Defendants engaged in "pushing cash," transmitted false bids and offers, used derivative traders as submitters, and rigged bids and offers for Euribor Products.

Plaintiffs have asserted legal claims under various theories, including the Sherman Act, the Commodity Exchange Act, the Racketeer Influenced and Corrupt Organizations Act, and common law.

Société Générale has agreed to enter into this Settlement Agreement, while denying the allegations brought in this action and maintaining that it has meritorious defenses to Plaintiffs' claims of liability and damages, in order to avoid further expense, inconvenience and the distraction of burdensome and protracted litigation, and thereby to resolve this controversy and avoid the risks inherent in complex litigation.

### **What Does the Settlement Provide?**

Under the Settlement, Société Générale agreed to pay a total of \$105 million into the Settlement Fund. If the Court approves the Settlement, eligible Settlement Class Members who either previously submitted a Claim Form in connection with an earlier settlement in the Action or submit a valid Claim Form before the claims filing deadline may receive a share of the Settlement Fund after they are reduced by the payment of certain expenses. The Settlement Agreement, available on the Settlement Website, describes all of the details about the proposed Settlement. The exact amount each qualifying Settlement Class Member will receive from the Settlement Fund cannot be calculated until (1) the Court approves the Settlement; (2) certain amounts identified in the full Settlement Agreement are deducted from the Settlement Fund; and (3) the number of participating Class Members and the amount of their claims are determined. In addition, each Settlement Class Member's share of the Settlement Fund will vary depending on the information the Settlement Class Member provides on their Claim Form.

The number of claimants who send in claims varies widely from case to case. If less than 100% of the Settlement Class sends in a Claim Form, you could get more money.

### **How Do You Ask For a Payment?**

If you timely submitted a Claim Form pursuant to either: (1) the November 29, 2017 Notice (the "2017 Notice") related to the \$94 million settlement with Defendants Barclays plc, Barclays Bank plc, and Barclays Capital Inc. (collectively, "Barclays"), the \$45 million settlement with HSBC Holdings plc and HSBC Bank plc (collectively, "HSBC"), and the \$170 million settlement with Deutsche Bank AG and DB Group Services (UK) Ltd. (collectively, "Deutsche Bank"); (2) the December 19, 2018 Notice (the "2018 Notice") related to the \$182.5 million settlement with Citigroup Inc. and Citibank, N.A. (collectively, "Citi") and JPMorgan Chase & Co. and JPMorgan Chase Bank, N.A. (collectively, "JPMorgan"); and/or (3) the June 8, 2022 Notice (the "2022 Notice") related to the \$55 million settlement with Crédit Agricole S.A. and Crédit Agricole CIB (collectively, "Crédit Agricole"), then YOU DO NOT HAVE TO SUBMIT A NEW CLAIM FORM TO PARTICIPATE in the Settlement with Société Générale. Any Settlement Class Member who previously submitted a Claim Form in connection with the 2017 Notice, the 2018 Notice, and/or the 2022 Notice will be subject to and bound by the releases set forth in the Settlement Agreement with Société Générale, unless such member submits a timely and valid request for exclusion, explained below.

If you are a Settlement Class Member and have not previously submitted a Claim Form, you may seek to participate in the Settlement by submitting a Claim Form to the Claims Administrator at the address in the Settlement Notice postmarked no later than October 9, 2023. You may obtain a Claim Form on the Settlement Website or by calling the toll-free number referenced above. If you are a Settlement Class Member and do not file a Claim Form, you will still be bound by the releases set forth in the Settlement Agreement if the Court enters an order approving the Settlement Agreement.

### **What Are Your Other Options?**

All requests to be excluded from the Settlement must be made in accordance with the instructions set forth in the Settlement Notice and must be postmarked to the Claims Administrator no later than July 27, 2023. All requests for exclusion must comply with the requirements set forth in the Settlement Notice to be honored. The Settlement Notice, available at the Settlement Website, explains how to exclude yourself or object. If you exclude yourself from the Settlement Class, you will not be bound by the Settlement Agreement and can independently pursue claims at your own expense. However, if you exclude yourself, you will not be eligible to share in the Net Settlement Fund or otherwise participate in the Settlement.

The Court will hold a Settlement Hearing in this case on September 7, 2023 at 2:00 p.m. (ET), to consider whether to approve the Settlement and a request by the lawyers representing all Settlement Class Members (Lowey Dannenberg, P.C. and Lovell Stewart Halebian Jacobson LLP) for an award of attorneys' fees of no more than sixteen percent (16%), or \$16,800,000, of the Settlement Fund for investigating the facts, litigating the case, and negotiating the Settlement, and for reimbursement of their costs and expenses in the amount of no more than \$500,000. The Plaintiffs may submit an additional request for service awards in light of their continued commitment and contributions that led to this Settlement for the benefit of the putative class, but have agreed to limit any such request to no more than \$150,000. The lawyers for the Settlement Class may also seek additional reimbursement of costs and expenses in connection with services provided after the Settlement Hearing. These payments will also be deducted from the Settlement Fund before any distributions are made to the Settlement Class.

You may ask to appear at the Settlement Hearing, but you do not have to. For more information, call toll-free 800-492-9154 or visit the website [www.EuriborSettlement.com](http://www.EuriborSettlement.com).

If the Court approves the Settlement, eligible Settlement Class Members who either previously submitted a Claim Form in connection with an earlier settlement in the Action or submit a valid Claim Form before the claims filing deadline may receive a share of the Settlement Fund after they are reduced by the payment of certain expenses. The Settlement Agreement, available on the Settlement Website, describes all of the details about the proposed Settlement. The exact amount each qualifying Settlement Class Member will receive from the Settlement Fund cannot be calculated until (1) the Court approves the Settlement; (2) certain amounts identified in the full Settlement Agreement are deducted from the Settlement Fund; and (3) the number of participating Class Members and the amount of their claims are determined. In addition, each Settlement Class Member’s share of the Settlement Fund will vary depending on the information the Settlement Class Member provides on their Claim Form.

The number of claimants who send in claims varies widely from case to case. If less than 100% of the Settlement Class sends in a Claim Form, you could get more money.

How Do You Ask For a Payment?

If you timely submitted a Claim Form pursuant to either: (1) the November 29, 2017 Notice (the “2017 Notice”) related to the \$94 million settlement with Defendants Barclays plc, Barclays Bank plc, and Barclays Capital Inc. (collectively, “Barclays”), the \$45 million settlement with HSBC Holdings plc and HSBC Bank plc (collectively, “HSBC”), and the \$170 million settlement with Deutsche Bank AG and DB Group Services (UK) Ltd. (collectively, “Deutsche Bank”); (2) the December 19, 2018 Notice (the “2018 Notice”) related to the \$182.5 million settlement with Citigroup Inc. and Citibank, N.A. (collectively, “Citi”) and JPMorgan Chase & Co. and JPMorgan Chase Bank, N.A. (collectively, “JPMorgan”); and/or (3) the June 8, 2022 Notice (the “2022 Notice”) related to the \$55 million settlement

with Crédit Agricole S.A. and Crédit Agricole CIB (collectively, “Crédit Agricole”), then YOU DO NOT HAVE TO SUBMIT A NEW CLAIM FORM TO PARTICIPATE in the Settlement with Société Générale. Any Settlement Class Member who previously submitted a Claim Form in connection with the 2017 Notice, the 2018 Notice, and/or the 2022 Notice will be subject to and bound by the releases set forth in the Settlement Agreement with Société Générale, unless such member submits a timely and valid request for exclusion, explained below.

If you are a Settlement Class Member and have not previously submitted a Claim Form, you may seek to participate in the Settlement by submitting a Claim Form to the Claims Administrator at the address in the Settlement Notice postmarked no later than October 9, 2023. You may obtain a Claim Form on the Settlement Website or by calling the toll-free number referenced above. If you are a Settlement Class Member and do not file a Claim Form, you will still be bound by the releases set forth in the Settlement Agreement if the Court enters an order approving the Settlement Agreement.

What Are Your Other Options?

All requests to be excluded from the Settlement must be made in accordance with the instructions set forth in the Settlement Notice and must be postmarked to the Claims Administrator no later than July 27, 2023. All requests for exclusion must comply with the requirements set forth in the Settlement Notice to be honored. The Settlement Notice, available at the Settlement Website, explains how to exclude yourself or object. If you exclude yourself from the Settlement Class, you will not be bound by the Settlement Agreement and can independently pursue claims at your own expense. However, if you exclude yourself, you will not be eligible to share in the Net Settlement Fund or otherwise participate in the Settlement.

The Court will hold a Settlement Hearing in this case on September 7, 2023 at 2:00 p.m. (ET), to consider whether to approve the Settlement and a request by the lawyers representing all Settlement Class Members (Lowey Dannenberg, P.C. and Lovell Stewart Halebian Jacobson LLP) for an award of attorneys’ fees of no more than sixteen percent (16%), or \$16,800,000, of the Settlement Fund for investigating the facts, litigating the case, and negotiating the Settlement, and for reimbursement of their costs and expenses in the amount of no more than \$500,000. The Plaintiffs may submit an additional request for service awards in light of their continued commitment and contributions that led to this Settlement for the benefit of the putative class, but have agreed to limit any such request to no more than \$150,000. The lawyers for the Settlement Class may also seek additional reimbursement of costs and expenses in connection with services provided after the Settlement Hearing. These payments will also be deducted from the Settlement Fund before any distributions are made to the Settlement Class.

You may ask to appear at the Settlement Hearing, but you do not have to. For more information, call toll-free 800-492-9154 or visit the website [www.EuriborSettlement.com](http://www.EuriborSettlement.com).

U.S. Activists Challenge Toyota Chief on EVs

BY CRAIG MELLOW

Japan is a target-rich environment for activist investors. Half of the country’s listed companies trade below book value.

Two large, bellwether U.S. institutions, California Public Employees’ Retirement System and the Office of the New York City Comptroller, are aiming their guns at the heart of Japan Inc. They’re voting to oust the chairman of **Toyota Motor** (ticker: 7203.Japan), Akio Toyoda, at a June 14 shareholders meeting.

The world’s top auto maker isn’t the worst-run firm in Japan. But the broader impulse to challenge well-insulated boards and managements looks like a good one, and may boost a long-awaited rally in Japanese stocks. The **iShares MSCI Japan** exchange-traded fund (ticker: EWJ) has gained 12% this year, matching the S&P 500 index.

The business case against Toyoda centers on his slow pivot to electric vehicles, even as sales of Toyota Prius hybrids fell by more than half over the past decade. “A silent majority in the auto industry is wondering whether EVs are really OK to have as a single option,” he said in December. On Toyoda’s watch, from 2014 to 2016, Toyota sold a 3% stake in **Tesla** (TSLA), a \$21 billion mistake at the EV pioneer’s current valuation.

Toyoda, 67, already stepped down as chief executive in April, though. Successor Koji Sato lost no time in proposing 10 new EV models, with projected annual production of 1.5 million cars by 2026. Executing on these ambitions may be tough, but the direction looks right. “Toyota needs to restore BEV [battery electric vehicle] business competitiveness to drive a full-fledged rebound,” says Jefferies analyst Takaki Nakanishi.

Toyoda, whose grandfather founded Toyota in 1937, also typifies a form of Japanese corporate governance that is under increasing pressure. While owning just 1% of the stock, the founding family retains

decisive influence through cross-holdings in a web of affiliates like parts maker **Denso** (6902.Japan), and a tradition of deference. The New York City Comptroller’s office is voting against the whole slate of Toyota directors, finding that they “lack adequate independence.”

“Managements have been protected for decades by a moat of cross-shareholdings and the complacency of other shareholders,” says Seth Fischer, chief investment officer at Oasis Management, which is pushing change at several Japanese companies (though not at Toyota).

The moats are under assault from multiple directions. The Tokyo Stock Exchange lately demanded that below-book-value companies submit plans to boost their share prices; it’s threatening eviction from the coveted TSE Prime Market Index for non-compliance. The powerful Ministry of Economy, Trade, and Industry is working on new merger-and-acquisition guidelines that would ease takeovers and consolidation.

Managers are getting the memo, says Adrian Gornall, head of investment advisory at Astris Advisory Japan. “There has been a sea change in the attitude toward shareholder returns: buybacks, dividend payouts,” he says.

Toyota won’t be the hottest battleground in this Japanese annual general meeting, or AGM, season. **Canon’s** (7751.Japan) 87-year-old chief executive, Fujio Mitarai, barely kept his job, with 50.59% shareholder approval. **Seven & i Holdings** (3382.Japan), parent of the U.S. 7-Eleven convenience chain, is fending off demands to shutter unprofitable stores.

Nor is governance the key factor in Japan’s market revival. “A return of controlled inflation and relative political stability are driving the rally,” says Hidekazu Ishida, an advisor to FinCityTokyo, which aims to boost Japan as a financial hub.

A governance revolution won’t hurt either, though. “No one wants to be the next activist target,” Ishida says. And watch out for those new Toyota EVs. ■

Where can traders turn for market insight, trade recommendations, and education about trading and investing? Perhaps the question should be where can't you? These days, financial information is put out in print, on TV, on your smartphone, and over the Internet in various formats, but there's still nothing more readable, reliable, or researchable than a regularly published newsletter or magazine.

Some publications have been around for quite a while (in fact, this magazine itself has been published since 1982), and they can be well worth the asking price for the information they deliver.

In the listing, you'll find information about each publication, such as how many years it's been published and whether it is available on the newsstand.

#### The Deviation-Scaled Moving Average

by John F. Ehlers

*Moving averages have two characteristics—they lag and they smooth data. But there are different ways to tweak them. Here's one way to make them more adaptive to current prices and make the smoothing heavier.*

Adaptive moving averages are not new to technical analysis. If you're familiar with adaptive techniques, you'll know that most start with an exponential moving average (EMA). The EMA is a smoothing filter that takes a fraction of the current price and adds the complement of that fraction times the value of the EMA one bar ago ...

#### Exponential Deviation Bands

*Trading bands (also called price envelopes or channels) can help you read the trend on a chart. Here's a version that is well-suited for trend following.*

In the past, I've written about exponential standard deviation bands. Here, I will present a slightly different version, useful for trend following. This version uses exponential deviation instead of the more usual standard deviation in its calculation. In addition, these bands can be based on either a simple moving average or an exponential moving average ...

## UNITED STATES DISTRICT COURT SOUTHERN DISTRICT OF NEW YORK

*Sullivan, et al. v. Barclays plc, et al.* No. 13-cv-2811 (PKC)

### **SUMMARY NOTICE OF PROPOSED CLASS ACTION SETTLEMENT**

**If you transacted in Euribor Products<sup>1</sup> between June 1, 2005 and March 31, 2011, inclusive (“Class Period”), then your rights will be affected by a pending class action settlement, and you may be entitled to a portion of the settlement fund.**

The purpose of this Notice is to inform you of your rights in connection with the proposed settlement with Settling Defendant Société Générale in the action titled *Sullivan, et al. v. Barclays plc, et al.*, No. 13-cv-2811 (PKC) (S.D.N.Y.). The settlement with Société Générale (the “Settlement”) is not a settlement with any other Defendant and thus is not dispositive of any of Plaintiffs' claims against other Defendants.

The Settlement has been proposed in a class action lawsuit concerning the alleged manipulation of the Euro Interbank Offered Rate (“Euribor”) and the prices of Euribor Products during the Class Period. The Settlement provides a total of \$105 million to pay claims from persons who transacted in Euribor Products during the Class Period. If you qualify, you may potentially receive benefits from the Settlement if you (a) previously submitted a Proof of Claim and Release form (“Claim Form”) in connection with prior settlements in this Action or (b) submit a Claim Form by the deadline set forth below. You can also choose to exclude yourself from the Settlement, or object to the Settlement.

The United States District Court for the Southern District of New York (500 Pearl St., New York, NY 10007-1312) authorized this Notice. Before any money is paid, the Court will hold a Settlement Hearing to decide whether to approve the Settlement.

#### **Who Is Included?**

You are a “Settlement Class Member” if you purchased, sold, held, traded, or otherwise had any interest in Euribor Products during the Class Period, and during the Class Period were either domiciled in the United States or its territories or, if domiciled outside the United States or its territories, you transacted in Euribor Products in the United States or its territories during the Class Period. “Settlement Class Members” include, but are not limited to, all persons who during the Class Period traded CME Euro currency futures contracts and options, all persons who during the Class Period transacted in NYSE LIFFE Euribor futures and options from a location within the United States, and all persons who during the Class Period traded any other Euribor Product from a location within the United States or its territories.

Contact your brokerage firm to see if you purchased, sold, held, or traded or otherwise had any interest in Euribor Products. If you are not sure you are included, you can get more information, including the Settlement Agreement,<sup>2</sup> the Notice of Proposed Class Action Settlement, September 7, 2023 Settlement Hearing Thereon, and Settlement Class Members' Rights (the "Settlement Notice"), Plan of Allocation, Proof of Claim and Release, and other important documents, at [www.EuriborSettlement.com](http://www.EuriborSettlement.com) ("Settlement Website") or by calling toll-free 800-492-9154.

## **What Is This Litigation About?**

Plaintiffs allege that during the Class Period, Defendants (including Société Générale) conspired to manipulate and manipulated Euribor and the prices of Euribor Products. Plaintiffs allege that Defendants did so by using several means of manipulation. For example, Plaintiffs allege that panel banks that made daily Euribor submissions to Thomson Reuters falsely reported banks' costs of borrowing in order to financially benefit their Euribor Products positions. Plaintiffs also allege that Defendants requested that other Defendants make false Euribor submissions on their behalf to benefit their Euribor Products positions.

Plaintiffs further allege that Defendants continuously conspired to fix the prices of Euribor Products in the over-the-counter market to financially benefit their own Euribor Products positions. In addition to coordinating Euribor submissions and agreeing on where to price Euribor Products, Plaintiffs allege that to effectuate their alleged manipulations of Euribor and Euribor Products during the Class Period, Defendants engaged in "pushing cash," transmitted false bids and offers, used derivative traders as submitters, and rigged bids and offers for Euribor Products.

Plaintiffs have asserted legal claims under various theories, including the Sherman Act, the Commodity Exchange Act, the Racketeer Influenced and Corrupt Organizations Act, and common law.

Société Générale has agreed to enter into this Settlement Agreement, while denying the allegations brought in this action and maintaining that it has meritorious defenses to Plaintiffs' claims of liability and damages, in order to avoid further expense, inconvenience and the distraction of burdensome and protracted litigation, and thereby to resolve this controversy and avoid the risks inherent in complex litigation.

## **What Does the Settlement Provide?**

Under the Settlement, Société Générale agreed to pay a total of \$105 million into the Settlement Fund. If the Court approves the Settlement, eligible Settlement Class Members who either previously submitted a Claim Form in connection with an earlier settlement in the Action or submit a valid Claim Form before the claims filing deadline may receive a share of the Settlement Fund after they are reduced by the payment of certain expenses. The Settlement Agreement, available on the Settlement Website, describes all of the details about the proposed Settlement. The exact amount each qualifying Settlement Class Member will receive from the Settlement Fund cannot be calculated until (1) the Court approves the Settlement; (2) certain amounts identified in the full Settlement Agreement are deducted from the Settlement Fund; and (3) the number of participating Class Members and the amount of their claims are determined. In addition, each Settlement Class Member's share of the Settlement Fund will vary depending on the information the Settlement Class Member provides on their Claim Form.

The number of claimants who send in claims varies widely from case to case. If less than 100% of the Settlement Class sends in a Claim Form, you could get more money.

## **How Do You Ask For a Payment?**

If you timely submitted a Claim Form pursuant to either: (1) the November 29, 2017 Notice (the “2017 Notice”) related to the \$94 million settlement with Defendants Barclays plc, Barclays Bank plc, and Barclays Capital Inc. (collectively, “Barclays”), the \$45 million settlement with HSBC Holdings plc and HSBC Bank plc (collectively, “HSBC”), and the \$170 million settlement with Deutsche Bank AG and DB Group Services (UK) Ltd. (collectively, “Deutsche Bank”); (2) the December 19, 2018 Notice (the “2018 Notice”) related to the \$182.5 million settlement with Citigroup Inc. and Citibank, N.A. (collectively, “Citi”) and JPMorgan Chase & Co. and JPMorgan Chase Bank, N.A. (collectively, “JPMorgan”); and/or (3) the June 8, 2022 Notice (the “2022 Notice”) related to the \$55 million settlement with Crédit Agricole S.A. and Crédit Agricole CIB (collectively, “Créd it Agricole”), then YOU DO NOT HAVE TO SUBMIT A NEW CLAIM FORM TO PARTICIPATE in the Settlement with Société Générale. Any Settlement Class Member who previously submitted a Claim Form in connection with the 2017 Notice, the 2018 Notice, and/or the 2022 Notice will be subject to and bound by the releases set forth in the Settlement Agreement with Société Générale, unless such member submits a timely and valid request for exclusion, explained below.

If you are a Settlement Class Member and have not previously submitted a Claim Form, you may seek to participate in the Settlement by submitting a Claim Form to the Claims Administrator at the address in the Settlement Notice postmarked no later than October 9, 2023. You may obtain a Claim Form on the Settlement Website or by calling the toll-free number referenced above. If you are a Settlement Class Member and do not file a Claim Form, you will still be bound by the releases set forth in the Settlement Agreement if the Court enters an order approving the Settlement Agreement.

## **What Are Your Other Options?**

All requests to be excluded from the Settlement must be made in accordance with the instructions set forth in the Settlement Notice and must be postmarked to the Claims Administrator no later than July 27, 2023. All requests for exclusion must comply with the requirements set forth in the Settlement Notice to be honored. The Settlement Notice, available at the Settlement Website, explains how to exclude yourself or object. If you exclude yourself from the Settlement Class, you will not be bound by the Settlement Agreement and can independently pursue claims at your own expense. However, if you exclude yourself, you will not be eligible to share in the Net Settlement Fund or otherwise participate in the Settlement.

The Court will hold a Settlement Hearing in this case on September 7, 2023 at 2:00 p.m. (ET), to consider whether to approve the Settlement and a request by the lawyers representing all Settlement Class Members (Lowey Dannenberg, P.C. and Lovell Stewart Halebian Jacobson LLP) for an award of attorneys' fees of no more than sixteen percent (16%), or \$16,800,000, of the Settlement Fund for investigating the facts, litigating the case, and negotiating the Settlement, and for reimbursement of their costs and expenses in the amount of no more than \$500,000. The Plaintiffs may submit an additional request for service awards in light of their continued commitment and contributions that led to this Settlement for the benefit of the putative class, but have agreed to limit any such request to no more than \$150,000. The lawyers for the Settlement Class may also seek additional reimbursement of costs and expenses in

connection with services provided after the Settlement Hearing. The se payments will also be deducted from the Settlement Fund before any distributions are made to the Settlement Class.

You may ask to appear at the Settlement Hearing, but you do not have to. For more information, call toll-free 800-492-9154 or visit the website [www.EuriborSettlement.com](http://www.EuriborSettlement.com).

### **What is this case about?**

Plaintiffs allege that, during the Class Period, Defendants Barclays plc, Barclays Bank plc, Barclays Capital Inc., Citigroup, Inc., Citibank, N.A., Coöperatieve Rabobank U.A. (f/k/a Coöperatieve Centrale Raiffeisen-Boerenleenbank B.A.), Crédit Agricole S.A.,

Crédit Agricole CIB, Deutsche Bank AG, DB Group Services (UK) Ltd., HSBC Holdings plc, HSBC Bank plc, ICAP plc, ICAP Europe Limited, JPMorgan Chase & Co., JPMorgan Chase Bank, N.A., The Royal Bank of Scotland plc, Société Générale SA, and UBS AG (collectively, “Defendants”) agreed, combined, and conspired to rig Euribor and fix the prices of Euribor Products. Plaintiffs allege that Defendants did so by using several means of manipulation. For example, Plaintiffs allege that panel banks that made daily Euribor submissions to Thomson Reuters falsely reported banks’ costs of borrowing to financially benefit their Euribor Products positions. Plaintiffs also allege that Defendants requested that other Defendants make false Euribor submissions on their behalf to benefit their Euribor Products positions.

Plaintiffs further allege that Defendants continuously conspired to fix the prices of Euribor Products in the over-the-counter market to financially benefit their own Euribor Products positions. In addition to coordinating Euribor submissions and agreeing on where to price Euribor Products, Plaintiffs allege that, in order to effectuate their manipulations of Euribor and Euribor Products during the Class Period, Defendants engaged in “pushing cash,” transmitted false bids and offers, used derivative traders as submitters, and rigged bids and offers for Euribor Products.

Plaintiffs have asserted legal claims under various theories, including federal antitrust law, the Commodity Exchange Act (“CEA”), the Racketeering Influenced and Corrupt Organizations Act (“RICO”), and common law.

Société Générale has consistently and vigorously denied Plaintiffs’ allegations and maintains it has meritorious defenses to the claims of liability and damages made by Plaintiffs.
